

GOLD STAR
CHERYL VAP (ROY)
1189 Road CD, Red Cloud, NE 68970

In 1940, the President of the United States designated the last Sunday in September as a day for honoring Gold Star Mothers. Units may choose September or any month to honor their Gold Star members. A Gold Star program can be used at the regular meeting, a tea or coffee, a gift or donation to a favorite project, a poppy corsage or a visit in their home if they are unable to be out. Show them and tell them “we remember”.

A donation to the Gold Star Fund helps provide gifts for the enjoyment and comfort of the Veterans in our Medical Centers and Veterans Homes. Be sure to mark the form that we now use completely, and mail the check to Department Headquarters.
