“ROLLING FORWARD WITH THE AMERICAN LEGION AUXILIARY FAMILY”

Department Newsletter: By now you should have the Newsletter in your hands. Be certain to thoroughly read it. Each and every word pertains to your Auxiliary.

FALL RALLY will be held in Sutton, October 8, 2011. Mark your calendars and plan to attend. Last year we had quite a few donations for the Auction. Word has been received that the Auction is taking more time than allowed. Could we cut back a little on the donations? Feel free to bring what you wish. More information to follow.

DISTRICT 10 CONVENTION: Commander Yant has informed me the Convention will be held in Minden. Have not received the set date as of today.

VAMC ANNUAL PICNIC: was held August 7, 2011. There was a good turn out of volunteers. All the food was delicious. **Great Job District 10.** This is the most expensive thing we do for the Veterans. There fore we are short on funds every year. At the Executive Meeting and the Fall Rally, we will be discussing an alternative to pay for the picnic.

NATIONAL CONVENTION: At the present time all those that were planning to attend are there and the meetings have started. Our next newsletter will include information they bring back for us.

DISTRICT 10 EXECUTIVE MEETING: September 17th, in Wilcox. At 9 a.m. there is a Fun Run for those of you that run. At 10:30 a presentation will be made to one of the American Legion Post. After the presentation lunch will be served by the AL & ALA of Wilcox. Our meeting will convene at 1 p.m. in the Lions/Legion Club.

REMINDER: Our Department President Donna Hatfield asks us to attend the “American Legion Family” function, by joining her in celebrating the homecoming of Commander George Cyboron in Boelus following the Leadership School. Boelus Civic Center, Boelus, NE, Saturday, October 1, 2011. Those of us that live in District 10 should be able to carpool. I plan to attend.
