THANK YOU FOR YOUR SUPPORT

Beef jerky is one of the most requested items by those deployed in the military. In an effort to provide jerky to those serving at a cost that is reasonable to those sending “care packages”, we have coordinated efforts to minimize cost. This jerky is free of growth hormone implants and processed at a USDA inspected plant.

The Legion Post and Auxiliary Unit will use the proceeds to support local and State projects for our military personnel and their families.

How it works

We will be selling the packages of beef jerky for \$2.50. These packages are 3.25 oz and vacuum sealed. If you wish to purchase jerky to be sent to military personnel, you will pay that price plus the shipping. We will package and mail the quantity you ordered with your message included.

If you want to buy quantities for a fundraiser, you will buy at \$2.50/package and then sell it for an additional \$1-\$2 for a profit.
