

DISTRICT 6 NEWSLETTER
MARCH 2010

Auxiliary Ladies:

Congratulations is long overdue to Oconto for being 105% membership since August and Arcadia, Genoa, and Boelus for making 100%. Our District is now in 8th place. Others are close and just need a few to get closer to our goal. Keep up the good work and continue working on membership.

Department Convention will be in Columbus June 24-27th. Think of attending this year. I will need volunteers for Registration Committee, Rules and Credentials Committee, Election Board, and District Pages. If you can help let me know.

Time is short for the Cookbook Fundraiser, they want your recipes, up to four per member due April 1st. Also you can enter the cookbook cover design contest due April 1st. This cookbook will be dedicated to our Past National President Carol Van Kirk. Send your recipes to Department Headquarters or Email: neaux@windstream.net.

Annual reports are due in April. Each unit and County President is to send me a report of any activities they did for Veterans, Children and Youth and etc. Every unit is special and should be proud of all they do.
