

District Nine
January Newsletter
2010

Dear Ladies,

District Convention is a few weeks away. As I mentioned in a previous newsletter the District Nine Convention has been changed to March 6th at Eustis. I will be sending out another letter the first week of February giving you more information, but I wanted you to let your members know now and decide if they will be going to Eustis in March.

Registration will be \$10 and you will need to let Sharon Jack know if you are going. Please give a number for the men and a number for the women if you both are going to be there.

I'm also asking some units to volunteer to help with the district meeting. I've enclosed a post card for those units to respond back to me. I will appreciate any help you can give.

Mike and I did make it to Mid-Winter and it was quite cold. The lodge in Norfolk was a nice place to stay. We didn't have to go outside at all if we didn't want to.

You have been doing a great job on membership. Keep it up! Remember dues are going up next year. If you are going to increase your unit dues, you need to let Department know and you will also need to make the change in your constitution and by-laws. (See small card included)

I also have a message from Girls State Chairman, Charlotte Zieg. The applications were sent to all units recently. Following are the instructions:

- On the application the applicant is to fill out the top, the unit fills out the next section, and the school fills out the end.
- The pledge and the parent waiver will be sent out with the candidate's packet.

Joann Ward asked me to send out a sample copy of a History Book. Also I am sending the rules for the book. It would be great to see lots of books at District Convention. Also your poppies will be in Eustis to pick up.

I need some of you to be thinking about being District President and Vice President next year. We will be having elections this year and we need some new leadership. Don't be afraid to give it a try!

For a fund raiser this year I decided we would have an auction. I would like each Unit to bring one basket with something in it. It could be baked goods, home canned food, or gifts. Anything you can come up with. The money will go to the Veterans Home in Scott's Bluff.

Please let Eustis know as soon as possible if you will be going to the convention. This is just some of the information that I'm sending right now. The Convention Call will be mailed out the first week in February. Call if you have any questions.
